

VICE PRESIDENT STUDENT ACTIVITIES

ABIGAIL BATTISTO

#LEADYOURDSU

demontfortstudents.com/elections

Hello, my name is Abi and I'm running for Vice President Student Activities.

I'm a friendly team player, that's determined to make a change.

My main aim is to ensure that all of YOU as students have as many opportunities as possible to add to YOUR university experience, whether that's in a sport, a society or a volunteering project, with 1534 active cards, 122 societies and 2600 students involved and over 27,000 volunteering hours logged this year. I want to see a BIG increase in active students next year and will make this happen for YOU.

I have lead a student group for the last 2 years taking them in a forward direction, tripling participation and even winning some awards along the way, I will help YOU do the same with all YOUR groups too. Charity work and events are massively important to me and I have been doing them for 4 years now. My experience and networks around the city would really enhance big events and campaigns we already have and any new ones that YOUR societies want to do.

I'm aware that funding for clubs and societies has been a massive issue this year which I would address immediately to ensure all YOUR clubs and societies get fair and equal funding,

and also help individual clubs with outside sponsorship bids, like I have done in the past with my team.

Listening to your groups' individual needs is something that I am VERY passionate about, every single one of YOU matter. YOU are what makes our Students' Union so amazing, I want to be there helping YOU along with YOUR journey to even bigger successes.

I will make sure that YOUR union is run, by YOU and for YOU.

This is YOUR time!
